Present:

1. Sri M.R.Sreenivasa Murthy Chairman
2. Sri Vishvanath Hiremath Member
3. Sri K.Srinivasa Rao Member

PREAMBLE:

1. In accordance with provisions of the KERC (Fuel Cost Adjustment) Regulations, 2012, the ESCOMs have filed their applications on the following dates for approval of Fuel Cost Adjustment charges for the
billing quarter October-December 2013 based on the Fuel Cost incurred during April-June 2013.

3. On the preliminary review of the applications, the following discrepancies were noticed:

   i) The ESCOMs have considered approved variable charges as per Tariff Order dated 30.04.2012 for April and May 2013.
   ii) CESC and GESCOM have considered different per unit variable charges for BTPS and RTPS I to VIII units respectively.
   iii) HESCOM & GESCOM have not claimed FAC on the basis of reconciled energy statement.
   iv) It was observed that the claims of variable charges for RTPS Unit 1 to 8 and BTPS were as follows:
4. The Commission has considered:

i. The source wise/ ESCOM wise energy as per the reconciliation statement among ESCOMs as furnished by BESCOM.

ii. The variable charges in respect of RTPS 1 to 8 units are taken as per the corrections effected for moisture content as per FSA by BESCOM.

iii. Sales as furnished by ESCOMs.

iv. The variations in the variable cost of UPCL has not been considered as the tariff for this generating station is provisional and yet to be finally decided upon.

5. The Commission notes that while there is 3 paise per unit of sale decrease in the variable cost of KPCL thermal and CGS stations, the overall power purchase cost has increased more than the approved power purchase cost for FY14.
v.  Accordingly, the Commission decides to order as follows:

Commission’s Order:

i) The Commission as per the provisions of the KERC (Fuel Cost Adjustment Charges) Regulations dated 21.03.2013, having recognized the reduction in fuel cost adjustment charges by 3 paise per unit of sale and overall increase in the power purchase cost in the first quarter of FY14, the Commission decides to allow adjustment of the reduction in FAC towards the overall increase in power purchase cost. As such there is no FAC to be passed on during the period 1st October 2013 to 31st December 2013.

ii) This Order is signed dated and issued by the Karnataka Electricity Regulatory Commission this day, the 20th September 2013.
