

DE 5 PSR 99

Karnataka Government
Secretariat
Energy Department, M.S. Building
Bangalore, dated 30th March, 2000

NOTIFICATION - I

Whereas, the draft of the **Karnataka Electricity Reform (Transfer Scheme) Rules**, 1999 was published as required by sections 14 and 15 read with section 57 of the Karnataka Electricity Reform Act, 1999 (Karnataka Act

25 of 1999) in Notification No. DE 5 PSR 99 dated 28th August, 1999, published in Part IV section 2C(i) of the Karnataka Gazette Extraordinary dated 30th August 1999, inviting objections and suggestions from all persons likely to be affected thereby within fifteen days from the date of publication of the draft in the Official Gazette.

Whereas the said Gazette was made available to the public on the 30th August, 1999;

And, whereas objections and suggestions received within the period specified above have been considered;

Now therefore, in exercise of powers conferred by sections 14 and 15 read with section 57 of the Karnataka Electricity Reform Act, 1999 (Karnataka Act 25 of 1999) the Government of Karnataka hereby makes the following rules, namely:-

Rules

1. Short title, extent and commencement.- (1) These rules may be called the "Karnataka Electricity Reform (Transfer Scheme) Rules, 1999".

(2) These rules extend to the whole of the territory of the State of Karnataka and also to Assets, Liabilities and Personnel of the Karnataka Electricity Board, which are existing outside the State.

(3) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions.- In these rules, unless there is anything repugnant in the subject or context:-

(a) "Act" means the Karnataka Electricity Reform Act, 1999.

(b) "Asset" shall include dams, tunnels, intake and outlet structures of water conductor systems, generating stations with associated plant, machinery, equipment, transmission, towers, land, building, offices, stores, installations, furniture, fixtures, vehicles, residential quarters and guest houses and amenities and installations pertaining thereto and other movable and immovable assets, cash and in hand, cash at bank, investments, book debts, corporeal or incorporeal, tangible and intangible assets, benefits, licenses, consents, authorities, registrations, liberties, patents, trade marks and powers of every kind, nature and description whatsoever, privileges, liberties, easements, advantages, benefits and approvals, contracts, deeds, schemes, bonds, agreements and other instruments and interest of whatever nature and wherever situate;

(c) "Effective date of the first transfer" means the date notified by an order made by the State Government for effecting transfer of Assets,

Liabilities. Proceedings or Personnel, Undertakings to the Visvesvaraya Vidyuth Nigama Limited (VVNL) or the Karnataka Power Transmission Corporation Limited (KPTCL), as the case may be, and different effective dates of the first transfer may be notified for different transfers;

(d) "Liabilities" shall include all liabilities, debts, duties, obligations, arrangement, dealings and other outgoing including statutory liabilities and Government levies of whatever nature including the contingent Liabilities which may arise in regard to dealings before the effective date in respect of the specified Undertakings however excluding personnel and personnel related matters;

(e) "Schedule" means a schedule appended to these rules;

(f) "Transferee" shall mean KPTCL or Visvesvaraya Vidyuth Nigama Limited (VVNL) as the case may be, in whom the Undertaking or Undertakings are vested;

(g) "Tripartite Agreement" shall mean the applicable Agreements entered into by the State Government, the Board and the concerned Union or Association of the Personnel as listed in Schedule D and as may be modified by the parties to the said agreements from time to time.

(h) "Undertaking" shall mean a block or blocks of assets, liabilities, proceedings and personnel existing and engaged in the business of generation, purchase, transmission, system operation, sales and supply belonging to the Board before the effective date of transfer;

(i) "VVNL" shall mean Visvesvaraya Vidyuth Nigama Limited, a company established by the Government of Karnataka with the principal object of taking over the existing generation under the control of the Karnataka Electricity Board and engaging in the business of Generation of Electricity in the State;

(2) Words and expressions used but not defined in these Rules shall have the same meaning as in the Act.

3. Transfer of Assets etc to the State.- (1) On the effective date of first transfer all property, interest in property, right and liability and all the Assets, Liabilities, all matters, arrangements, dealings and things of the Board shall stand transferred to and vest in the State absolutely and in consideration, thereof all loans, subventions and obligations of the Board towards the State shall stand extinguished and cancelled, which consideration shall be in full and final settlement of all claims whatsoever of the Board.

(2) Nothing in sub-rule (1) shall apply to rights, responsibilities, liabilities and obligations in respect of the Personnel and Personnel related matter including statutory dues such as salary, wages, gratuity, pension,

provident fund, if any, compensation and retirement benefits and the same shall be dealt with in the manner provided under rule 6.

4. Classification of Assets etc into Undertakings.- (1) All the Assets, Liabilities, all matters, arrangements, dealing and things vested in the State in terms of rule 3 and such other Assets and Liabilities as the State Government may consider to be appropriate but excluding those specified in sub-rule (3) shall stand classified into:

- (a) Generation Undertakings as set out in Schedule A, and
- (b) Transmission and Distribution Undertakings, as set out in Schedule B.

(2) The State Government may within three months from the effective date of first transfer by order notify the provisional balance sheets as at the effective date of first transfer of the Generation Undertakings listed in Schedule A and Transmission and Distribution Undertakings listed in schedule B.

(3) The liabilities as may be specified by the State Government in the order made under sub-rule (2) shall not form a part of the liabilities classified in Generation and Transmission and Distribution Undertakings, in Schedule A or B, and they shall be retained by the State Government as residuary liabilities.

(4) If the assets under sub-rule (1) are subject to security documents or arrangements in favour of third parties for any financial assistance or obligation taken by the Board and the liabilities in respect thereof are to be classified in different Undertakings, the State Government, may by order to be issued for the purpose, provide for the apportionment of the liabilities secured by such properties, assets and rights between the different Undertakings and upon such apportionment the security shall be applicable to the apportioned liability only.

5. Transfer of Assets, Liabilities, etc by the State.- (1) The Assets, Liabilities, all matters, arrangements, dealings and things forming part of Generation undertaking as set out in Schedule A shall stand transferred to and vest in VVNL on the effective date of first transfer without any further Act or thing to be done by the State Government or the Board or VVNL or any other person, subject, however, to the terms and conditions specified in these rules.

(2) The Assets, Liabilities, all matters, arrangements, dealings and things forming part of Transmission and Distribution Undertakings, as set out in Schedule B, shall stand transferred to and vest in KPTCL on the effective date of first transfer notified for the purpose without any further Act or thing to be done by the State Government or the Board or KPTCL or any other person subject, however, to the terms and conditions specified in these rules.

(3) On such transfer and vesting of the Assets, Liabilities, all matters, arrangements, dealings and things in terms of sub-rule (1) to VVNL or sub-rule (2) to KPTCL, as the case may be, the KPTCL or the VVNL, (Transferee) shall be responsible for all contracts, rights, deeds, schemes, bonds, agreements, arrangements or dealings and other instruments of whatever nature to which the Board was initially a party, subsisting or having effect on the Effective Date of first transfer, in the same manner as the Board was liable immediately before the effective date, and the same shall be in force and effect against or in favour of the Transferee and may be enforced effectively as if the Transferee had been a party thereto instead of the Board.

(4) The provisional Balance Sheets notified by the State Government under sub-rule (2) of rule 4 shall be adopted by KPTCL or VVNL as the case may be as the Balance Sheets of KPTCL or VVNL as on the effective date of first transfer.

(5) As consideration for the transfer and vesting of the Assets, Liabilities and things to KPTCL or VVNL as mentioned in sub-rules (1), (2) and (3) and Schedules A or B as the case may be, shares and/or instruments as to be specified in the order notifying the provisional Balance Sheets under sub-rule (2) of rule 4 will be issued to the State Government.

(6) Notwithstanding anything contained in these rules, with effect from first day of August 1999 and till the effective date of first transfer, business of generation, purchase, transmission, sale and supply of electrical energy and all other acts in the State undertaken by, and all matters, arrangements, dealings and things done by KPTCL or VVNL as the case may be, in connection with the said businesses either in their names or otherwise shall be deemed to have been done for and on behalf of the Board and shall be accounted for in the books of Accounts of the Board accordingly.

(7) The accounts of the Board shall be finalised as up to the date of effective date of first transfer and audited as per Section 69 of the Electricity (Supply) Act, 1948. Subject to the finalisation and audit of accounts of the Board, the Board shall stand dissolved with effect from the effective date of first transfer as provided in sub-section (3) of section 14 of the Act.

6. Transfer of Personnel.- (1) The transfer of personnel in terms of these rules shall be subject to the terms and conditions contained in the Act and the applicable Tripartite Agreements, as listed in Schedule C.

(2) Subject to sub-rule (1), the personnel on the effective date of first transfer shall stand classified, transferred and allocated to the services of KPTCL or VVNL in the manner specified in Part A and Part B of Schedule C.

(3) On such transfer and subject to the provisions of the Act and other provisions in these rules the personnel shall form part of the services of KPTCL or VVNL, as the case may be, with the status and in the post, scale of pay and seniority being maintained in the same manner as in the Board on the effective date of first transfer.

Provided that review of seniority of personnel in respect of a period prior to the effective date of first transfer, done after such date in accordance with the direction of court, tribunal or other authority or any law, rule or regulation shall be taken into account while determining their seniority after such date.

(4) The transfer of personnel shall be further subject to the following conditions namely;

(a) That the terms and conditions of the services applicable to them on the effective date of the first transfer shall not in anyway be less favourable than or inferior to those applicable to them immediately before the said effective date;

(b) All such personnel shall have continuity of service in all respects;

(c) All benefits of service accrued before the said effective date shall be fully recognised and taken into account for all purposes including the payment of terminal benefits;

(d) Transfer shall be subject to orders that may be passed by the Courts in the proceedings pending on the said effective date of the first transfer in regard to seniority or other matters concerning the service conditions of the Personnel;

(e) The personnel shall cease to be in the service of the Board and shall not assert or claim any benefit of service under the State Government or the Board except as provided in the Karnataka Electricity Reform Act, 1999, these rules and in the Tripartite Agreements;

(f) All other terms and conditions as specified in the Tripartite Agreements, shall apply.

(5) Subject to sub-rules (1) and (4) the the Transferee shall make regulations governing the conditions of services of personnel transferred to the Transferee under these rules, and until such time the existing service conditions of the Board shall mutatis mutandis apply.

(6) In respect of all statutory and other schemes and employment related matters including the provident fund, gratuity fund, pension and any other superannuation fund or any other special fund created or existing for the benefit of the personnel, the relevant Transferee shall stand

substituted for the Board for all purposes and all the rights, powers and obligations of the Board in relation to any and all such matters shall become those of the Transferee concerned and the services of the personnel shall be treated as having been continuous for the purpose of the application of this sub-rule.

(7) The State Government shall make appropriate arrangements in regard to the funding of the pension funds and other personnel related funds to the extent they are unfunded on the effective date of first transfer of the Personnel from the Board and till such arrangements are made all such payments for personnel who retire after the effective date shall be entirely arranged by the KPTCL.

(8) The State Government shall make appropriate arrangements in regard to the funding and due payment of all terminal benefits to the existing pensioners of the Board as on the effective date of transfer and till such arrangements are made the payment falling due shall be made by the KPTCL, subject to such adjustments as may be decided between the State Government and KPTCL.

Explanation: For the purposes of this sub-rule, the term

- (i) "Existing Pensioner" means all the persons eligible for the pension as on the effective date of transfer from the Board and shall include family members of the personnel as per the applicable scheme, and
- (ii) "Terminal Benefits" means the gratuity, pension, dearness and other applicable relief and other applicable benefits including the right to have the appropriate revisions in the above benefits consistent with the practice that were prevalent in the Board.

7. Classifications and Transfer of Assets and Liabilities provisional in the first instance.- (1) The classification of Undertakings and the value of the assets and liabilities assigned in the provisional Balance Sheets notified under sub-rule (2) of rule 4 shall be provisional and shall be final upon the expiry of one year from the Effective Date of Transfer when the Undertakings are transferred to KPTCL or VVNL in terms of these rules.

(2) So long as the classification is provisional the State Government by order to be notified shall be entitled to amend, vary, modify, add, delete or otherwise change the items classified and identified in an Undertaking in such manner as the State Government may consider appropriate.

(3) All transfers and vesting specified in rule 5 in the first instance shall be provisional and shall be final upon the expiry of one year from the Effective Date of first Transfer when the undertakings are transferred to KPTCL or VVNL in terms of these rules.

(4) At any time within a period of one year from the Effective Date of first

transfer mentioned in sub-rules (1) and (3) above, the State Government may by order to be notified amend, vary, modify, add, delete or otherwise change the terms and conditions of the transfer including the value assigned to the assets and liabilities in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4, the items included in the transfer, and transfer such assets, properties, liabilities and proceedings forming part of an Undertaking of one Transferee to that of any other Transferee or to the State Government in such manner and on such terms and conditions as the State Government may consider appropriate.

(5) On the expiry of the period of one year from such Effective Date and subject to any directions given by the State Government, the transfer of Undertakings, Assets, Liabilities, Proceedings made in accordance with the rules shall become final.

(6) The provisions of this rule shall not apply to the transfer of Personnel and personnel related matters.

8. Power to remove difficulty etc.- (1) The State Government shall have the power to remove difficulties arising in implementing the transfers mentioned above.

(2) The State Government may exercise any of the powers vested in it under these rules by issue of an order to be notified in official gazette.

BY ORDER AND IN THE NAME OF THE
GOVERNOR OF KARNATAKA

(B.K. SRINIVASA RAO)
Under Secretary to Government,
Energy Department.

SCHEDULE - 'A'
(See rule 4(1) (a))

GENERATION UNDERTAKINGS

Unless otherwise specified by the State Government the Generation Undertakings shall comprise of all the Assets and Liabilities concerning Generation consisting of

1. HYDEL POWER STATIONS

(a) Shivasamudram generating station: (i) Head works with power channel, control gates and 3 numbers of river scouring sluice gates, power channel from Head works to balancing reservoir, forebay to cater and control water to the 10 penstocks with the help of gates, power house, draft tube gate, tail race channel with 10 generating units (4 turbines of 5600 BHP and 6 turbines of 9000 BHP), 10 generators (6 numbers of 3 Mw and 4 numbers of 6 Mw) and associate protective

equipment, step-up power transformers, circuit breakers and associate equipments, outdoor switchyard and associate equipments, stores, communication equipments, office buildings, staff quarters and work in progress etc. Capacity: 42 Mw.

(ii) Static frequency converter at Shivasamudram: With 2x15 Mws static frequency converter for conversion from 78kv, 25 MHz to 66kV 50 Hz, outdoor structures, power transformers, reactors, circuit breakers and associated protective equipments, communication equipments, control room building, stores, etc., and work in progress.

(b) Shimsha generating station: Netkal balancing reservoir, Water canal, Fore bay, penstocks and penstock gates, power house, draft tube gate, tail race channel with Two. Nos. of generators, turbines and associated protective equipments, step-up power transformers, circuit breakers and associated equipments, outdoor switchyard and associated equipments, cranes, stores, spare parts, consumable, raw materials etc., communication equipments, Office buildings and staff quarters and work in progress. Capacity: $2 \times 8.6 = 17.2$ Mw.

(c) Mahatma Gandhi hydroelectric power station, jog, (MGHE): Fore bay, controlling gates, power channel, balancing reservoir, penstocks and penstock gates, power house, draft tube gate, tail race channel with 8 Nos. of (4x12 Mw and 4x18 Mw=120 Mw) generators, turbines and associated protective equipments, step-up power transformers, circuit breakers, and associated equipments, outdoor switchyard and associated equipments, stores, communication equipments, office buildings and staff quarters, including renovation and modernisation and other works in progress etc.,

(d) Munirabad generating station: Intake gates, penstocks and penstock gates, power house (capacity of 25 Mw), draft tube gate, tail race channel with Three Nos. of generators, turbines and associated protective equipments, step-up power transformers, circuit breakers and associated equipments, outdoor switchyard and associated equipments, stores, communication equipments, office buildings and staff quarters, work in progress etc.,

(e) Tungabhadra hydro electric station (TBHES): Inter State Project of A.P. Government and Karnataka Government with 20% share of Karnataka (14.41 Mw) run by Tungabhadra Board with 8 units of 9 MW capacity each (4 at T. B. Dam and 4 at Hampi). All assets are owned by both the Governments and reaping the power benefits based on their shares.

II. DIESEL POWER STATION

YELAHANKA DIESEL POWER PLANT, YELAHANKA, BANGALORE

With 6 generating units of 21.32 Mw capacity each along with all

associated and related equipment such as generators, boilers, alternators, auxiliary units with controls and instrumentation, lubricating oil separating system, Railway Sidings, Diesel handling system, water supply and treatment system, cooling system, air compressors with associated equipments and pipe lines, waste heat recovery boilers and associated pipe lines system, water pumps and associated systems, Diesel service tank and associated diesel oil piping.

Switchyard including 7 Nos. of 11/66kV Step-up transformers and associated breakers, control and protection system, auxiliaries, stores, power house and staff quarters, guest house, club building and drinking water supply system, All are housed in 120 acres of land.

III. GENERAL ASSETS AND LIABILITIES:

Special tools and equipment, material handling equipment, earth movers, bulldozers, concrete mixers, cranes, trailers, heavy and light vehicles, furniture, fixtures, office equipment, air conditioners, refrigerators, computers and signal systems, spares, consumables, raw materials, lands and civil works installations including roads, buildings, schools, dispensaries, testing laboratories and equipments, training centers workshops, works in progress, machinery and equipments sent for repairs, scraps and obsolete.

IV. OTHER ASSETS:

Other assets and movable properties including plant and machinery, motor car, jeeps, trucks, cranes, trailers and other vehicles, furniture, fixtures, air conditioners, computers, etc. to the extent they are utilized in, operated by or associated with the assets referred to under Clauses I to III above shall also form a part of Generation (VVNL) undertakings.

V. MISCELLANEOUS:

1. Contracts, agreements, interest and arrangements to the extent they are associated with or related to Generation activities or to the undertakings or assets referred to in Clauses I to IV above.
2. Loans secured and unsecured to the extent they are associated with or related to Generation activities or to the undertakings or assets referred to in Clauses I to IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.
3. Cash and bank balance to the extent they are associated with or related to Generation activities or the undertakings or assets referred to in Clauses I to IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.
4. Provident Fund, Pension Fund, Gratuity Fund and any other Funds based on servicing capability of the Undertaking.
5. Other current assets to the extent they are associated with or related

to Generation activities or to the undertakings or assets referred to in Clauses I to IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.

6. Other Current liabilities and provisions to the extent they are associated with or related to Generation activities or the Undertakings or Assets referred to in Clauses I to IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.

7. Other liabilities to the extent they are associated with or related to Generation activities or to the Undertakings or Assets referred to in Clauses I to IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.

8. Proceedings to the extent they are associated with or related to Generation activities or to the Undertakings or Assets referred to in Clauses I to IV above.

VI The State Government may however transfer any of the above Assets and Liabilities within one year from the effective date, as it may consider appropriate, to the KPTCL or VVNL, under the powers vested in it under these rules.

SCHEDULE `B` (See rule 4(1)(b))

TRANSMISSION AND DISTRIBUTION UNDERTAKINGS

All Assets and Liabilities belonging to the Karnataka Electricity Board other than those included in Schedule `A` as Generation Undertakings or specified by the State Govt, as Residuary Assets, Residuary Liabilities and Residuary proceedings, under Rule 4 (1) and including but not limited to the following:-

I. TRANSMISSION ASSETS

All transmission lines with towers of voltage 66 KV, 110 KV, 220 KV and 400 KV (Under Construction) on double circuit/single circuit/ single circuit on double circuit towers with Grid Sub-Stations of various capacities with all associated and related equipment, including step-up, step-down transformers, circuit breakers, metering arrangements and other protective devices with power-line communication system, allied control rooms, load dispatch center, lands (including right of way), buildings, roads and other auxiliary assets spread over within and outside the territory of the State including such assets under construction and assets acquired, transferred or rights of which were vested with the Board by transfer, sale, lease or otherwise, but excluding such constructions or installations lawfully owned and operated by others.

II. DISTRIBUTION ASSETS:

All 33 KV, 11 KV, LT, (Single phase 2 wire to 3 phase 5 wire) lines (with overhead lines, Aerial Bunched cables and underground cables) on

different types of supports with various sizes of conductors and step up/step down transformers, breakers, protective and metering devices and control rooms, testing, laboratories, lands (including right of way), buildings, roads, diesel generating sets or other conventional and non-conventional generating units, service connections and installations inside consumer's premises, street lighting and signal systems owned by or leased to the Board but excluding fittings, fixtures and installations owned by private persons or local authorities.

III. GENERAL ASSETS AND LIABILITIES:

Special tools and equipment, material handling equipment, earth movers, bulldozers, concrete mixers, cranes, trailers, heavy and light vehicles, furniture, fixtures, office equipment, air conditioners, refrigerators, computers and signal systems, spares consumables, raw materials, lands and civil works installations including roads, buildings, schools, dispensaries, testing laboratories and equipments, training centers, workshops, work in progress, machineries and equipments sent for repairs, scrap and obsolete materials.

IV. OTHER ASSETS:

Other assets and movable properties including plant and machinery, motor car, jeeps, trucks, cranes, trailers and other vehicles, furniture, fixtures, air conditioners, computers, etc. to the extent they are utilized and operated by or associated with the assets referred to under Clauses I, II and III above shall also form a part of Transmission and Distribution (KPTCL) undertakings.

V. MISCELLANEOUS:

1. Contracts, agreements, interest and arrangements to the extent they are associated with or related to T & D activities or to the undertakings or assets referred to in Clauses I, II, III and IV above.
2. Loans, secured and unsecured to the extent they are associated with or related to T&D activities or to the undertakings or assets referred to in Clauses I, II, III and IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.
3. Cash and bank balance to the extent they are associated with or related to T&D activities or the undertakings or assets referred to in Clauses I, II, III and IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.
4. Other Current Assets to the extent they are associated with or related to T&D activities or to the undertakings or assets referred to in Clauses I, II, III and IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.
5. Other Current liabilities and provisions to the extent they are associated with or related to T&D activities or the Undertakings or Assets referred to in Clauses I, II, III and IV above and included in the provisional Balance

Sheets to be notified under sub-rule (2) of rule 4.

6. Contingent liabilities to the extent they are recognised and are associated with or related to T&D activities or to the Undertakings or Assets referred to in Clauses I, II, III and IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.

7. Other liabilities to the extent they are associated with or related to T&D activities or to the Undertakings or Assets referred to in Clauses I, II, III and IV above and included in the provisional Balance Sheets to be notified under sub-rule (2) of rule 4.

8. Proceedings to the extent they are associated with or related to T&D activities or to the Undertakings or Assets referred to in Clauses I, II, III and IV above.

VI. The State Government may however transfer any of the above Assets and Liabilities, within one year from the effective date, as it may consider appropriate, to the KPTCL or VVNL, under the powers vested in it under these rules.

**SCHEDULE C.
PART A**

CONDITIONS OF TRANSFER

The transfer of personnel shall be subject to the following conditions:

CATEGORY OF SERVICE		TRANSFER ARRANGEMENTS
Sl. No.	WORKMEN	
1.	All cadres borne on Electrical Engineering/Stores on Regular Establishments side in KEB	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis i.e., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and absorption in VVNL or KPTCL in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.

2.	All cadres borne on Civil Engineering side in KEB.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis, i.e., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and absorption in VVNL or KPTCL in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.
3.	All cadres borne on Accounts side in KEB.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis i.e., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and absorption in VVNL or KPTCL in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.
4.	All cadres not covered under Electrical Engineering/Civil Engineering and Accounts side in KEB.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis i.e., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and absorption in VVNL or KPTCL in accordance

		with the applicable Tripartite Agreement listed as Schedule 'D'.
5.	All cadres borne on Medical service in KEB including deputationists.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis i.e., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and/or absorption if applicable in VVNL or KPTCL as the case may be in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.
6.	All cadres borne on Educational Service in KEB.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis i.e., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and/or absorption if applicable in VVNL or KPTCL as the case may be in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.

7.	All Police personnel working on deputation	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer to VVNL or KPTCL in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.
8.	All cadres borne on maintenance establishment viz. Group I to X as envisaged in KEB R&P Regulations.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and absorption in VVNL or KPTCL in accordance with the applicable Tripartite Agreement listed as Schedule 'D'.
9.	All other cadres which are not covered under Group I to X of KEB & R&P Regulations borne on maintenance side.	Shall stand transferred to the VVNL or KPTCL as the case may be on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as KPTCL may decide taking into account seniority, work experience, suitability and other relevant consideration and shall be subject to further transfer and absorption in VVNL or KPTCL in accordance

		with the applicable Tripartite Agreement listed as Schedule 'D'.
	PERSONNEL OTHER THAN WORKMEN	
10.	All cadres borne on Electrical Engineering in KEB.	Shall stand transferred to VVNL or KPTCL and allocated on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as the KPTCL may decide taking into account seniority, work experience, suitability and other relevant conditions to serve on deputation till final absorption in VVNL or KPTCL, as the case may be in accordance with the tripartite agreement listed as Schedule 'D'.
11.	All cadres borne on Civil Engineering side KEB.	Shall stand transferred to VVNL or KPTCL and allocated on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as the KPTCL may decide taking into account seniority, work experience, suitability and other relevant conditions to serve on deputation till final absorption in VVNL or KPTCL, as the case may be in accordance with the tripartite agreement listed as Schedule 'D'.

12.	All cadres borne on Accounts side in KEB.	Shall stand transferred to VVNL or KPTCL and allocated on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as the KPTCL may decide taking into account seniority, work conditions to serve on deputation all final absorption in VVNL or KPTCL, as the case may be in accordance with the tripartite agreement listed as Schedule `D'.
13.	All other cadres not covered under Electrical Engineering/Civil Engineering and Accounts side in KEB.	Shall stand, transferred to VVNL or KPTCL and allocated on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as the KPTCL may decide taking into account seniority, work experience, suitability and other relevant conditions to serve on deputation till final absorption in VVNL or KPTCL, as the case may be in accordance with the tripartite agreement listed as Schedule `D'.
14.	All cadres borne on Medical service working on deputation basis.	Shall stand transferred to VVNL or KPTCL and allocated on as-is-where-is basis ie., based on the place they are working on the effective date or in such other manner as the KPTCL may decide taking into account seniority, work experience, suitability and other relevant conditions to serve on deputation till final absorption if applicable in VVNL or KPTCL, as the case may be in accordance with the tripartite agreement listed

		as Schedule `D'.
15.	All cadres borne on Educational service.	Shall stand transferred to VVNL or KPTCL and allocated on as-is-where-is based ie., based on the place they are working on the effective date or in such other manner as the KPTCL may decide taking into account seniority, work experience, suitability and other relevant conditions to serve on deputation till final absorption if applicable in VVNL or KPTCL as the case may be in accordance with the tripartite agreement listed as Schedule `D'.
16.	All Police personnel working on Deputation.
