The Bangalore Electricity Supply Company Ltd. (hereinafter referred to as BESCOM) is a Distribution Licensee, under the provisions of the Electricity Act, 2003. The BESCOM has filed an application on 30.11.2018 for consideration and orders on the following:

- a) Approve Truing up of FY18 based on the audited accounts;
- b) Approval of the unmet gap of Rs. 2933.82 Crores for FY20 and allow hike in the tariff by 101 paise per unit across all categories of consumers;
- c) Redesign the tariff structure for domestic category;
- d) Redesign the additional surcharge and cross subsidy surcharge for open access consumers;

- e) Approve increase in demand charges in respect of HT categories of consumers and uniform tariff towards energy charges; and
- f) To make Additional Surcharge and cross subsidy surcharge applicable to all the open access consumers including the consumers sourcing power from the captive plants and solar energy as well.

In exercise of the powers conferred under Sections 62 and 64 and other provisions of the Electricity Act, 2003, the KERC (Terms and Conditions for Determination of Tariff for Distribution and Retail Sale of Electricity) Regulations, 2006, read with the KERC (Tariff) Regulations, 2000 and other enabling Regulations, the Commission has considered the said application and also the views and objections submitted by the consumers and other stakeholders while passing this Order. The Commission's decisions on various aspects, are brought out in the subsequent Chapters of this Order.
