The challenge in the petition is to the levy of O&M charges by the respondent on the petitioner towards maintenance of the dedicated transmission line constructed by the petitioner.

During arguments, the Counsel for both parties submitted that the Commission has decided this aspect in the Order dated 24.4.2018 in OP No. 81/2016 (J.K.Cement Ltd. Vs. KPTCL & others) and connected cases. It was also submitted by both Counsels that the instant petition may be disposed off on the same lines.

We have perused the records and note that the case is similar to OP No. 81/2016. Hence, we deem it appropriate to decide this petition in terms of the Order dated 24.4.2018 in OP No.81/2016. Ordered accordingly.
