

Karnataka Electricity Regulatory Commission
No.9/2, Mahalaxmi Chambers, 6th & 7th Floors,
M.G. Road, Bangalore-560001

Notice:

V/06/14

18.09.2014

Preamble:

The Commission has approved the standard wheeling and banking agreements vide its order dated 8th July 2014 for RE projects under Non-REC route and RE Captive power plants under REC route. The Commission now proposes to modify clause 1.1(l) and clause 5.4 of the aforesaid agreements to have better clarity on the said clauses of the agreements.

The Commission invites written comments/views/suggestions from interested persons to the following proposed amendments which may be sent on or before 30.09.2014 to the Secretary, KERC, Bangalore:

Amendments

Existing Clause [both in REC & Non REC formats]:

1.1(l) *"Injection Point"* means the point or points at which Electricity is injected at the project site by the Company into the Corporation/ESCOM network.

Proposed Amendment:

1.1(l) *"Injection Point"* means the point or points at which Electricity is injected by the Company into the Corporation/ESCOM network.

5.4 Existing Clause [Non-REC format]:

The ESCOM shall recover from the Exclusive Consumer, twice the charges applicable to the relevant category for the over drawal of power from the grid beyond that contracted under wheeling with the Company."

Proposed Amendment:

5.4 The ESCOM shall recover from the Exclusive Consumer:

- a) *twice the demand charges as applicable to the relevant category of consumers as determined by the Commission from time to time, for overdrawal of demand [kW/MW] beyond the quantum of power contracted under the wheeling agreement and*
- b) *twice the energy charges as applicable to the relevant category of consumers for overdrawal of energy from the grid beyond the net injected energy by the Company [injected energy less the wheeling and banking charges in kind]."*

Existing Clause [REC format]:

5.4 *The captive consumer/s not having any supply agreement with ESCOM/s, shall pay twice the charges as per tariff applicable to relevant category for the over drawal of power from the grid beyond that contracted under wheeling with the Company."*

Proposed Amendment:

5.4 *The captive consumer/s not having any supply agreement with ESCOM/s, shall pay*

- a) *twice the demand charges as applicable to the relevant category of consumers as determined by the Commission from time to time, for overdrawal of demand [kW/MW] beyond the quantum of power contracted under the wheeling agreement and*

b) twice the energy charges as applicable to the relevant category of consumers for overdrawal of energy from the grid beyond the net injected energy by the Company [injected energy less the wheeling and banking charges in kind]."
