and R3 represented by M/s. Kamal & Bhanu, Advocates]

Case called. Complainant present. EE, BESCO and Chief Electrical Inspector present. Counsel for Respondent 3 files report stating that all the works required for obtaining power supply as per Regulations are executed by Respondent 3. EE, BESCO confirms that the works are completed and power supply can be serviced after obtaining approval from the Electrical Inspectorate. Chief Electrical Inspector shall have the works inspected to have the matter decided for approval as per law.

The Complainant draws the attention of the Commission to Regulation 9.01 of CoS according to which the Respondent No.3 is required to submit the sanctioned plan and the 'as built' drawings to the authorities to obtain power supply. The Chief Electrical Inspector will look into this aspect while deciding the question of approval for the electrical supply works.

No further issue to be decided by the Commission as admitted by the Complainant. The case is accordingly closed.
