**Suo Motu case No. 7/2015**

Atria Power Corporation Ltd  
No. 1, Palace Road, Bengaluru- 560 001

...First party

Bangalore Electricity Supply Company Ltd.,  
K R Circle, Bengaluru –560 001

...Second party

-----  
The first party, M/s Atria Power Corporation Ltd was issued notice to appear before the Commission and to submit its reply as to why the tariff for its generating plant of 18 MW capacity described in the notice should not be reduced to Rs. 2.25 per unit with 5% escalation from the date of Commissioning. The said notice was issued on the assumption that the tariff now being paid at Rs. 2.90 per unit with 2% escalation was wrongly allowed.

The first party, generating Company and the second party BESCO filed their written responses. Certain facts stated in the replies were not before the Commission while issuing the Notice for reduction of tariff.

The correctness of the facts stated in the replies can be accepted. In such event, change of tariff does not arise.

Hence, the Suo-motu case no. 7/2015 is dropped.
