Dear Sir,

Sub: Sourcing of Alternate Energy - regarding

This has reference the discussions had on 09/12/2016 at Belagavi and also to the subsequent presentation given to HRECSL governing board on 22/12/2016.

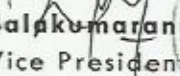

We thank HRECSL for the opportunity given to iDeCK for allowing us to give a presentation about "Sourcing of alternate energy". In this regard we would like to highlight that iDeCK will be able to offer the following services to develop Ground based 10MWac (Fixed Tilt) Captive Solar PV Power plant.

- 1) Identification of land
- 2) Site Survey, Technical & Financial Feasibility Assessment
- 3) Preparation of Detailed Project Report
- 4) Bid Process Management & Coordination for Agreement signing with Successful bidder (EPC Contractor)
- 5) Support on raising the Debt for the project
- 6) Coordination with HESCOM/KPTCL & other agency for related approvals
- 7) Technical Review of design proposed by EPC contractor, & Project Progress Monitoring
- 8) Support during Commissioning and for obtaining Grid Synchronization clearance
- 9) Monitoring the O&M services for a period of 5 year

We will also submit our formal proposal including all the above service shortly.

Thank you.

Yours faithfully,

Balakumar J
