

Prayer

GESCOM respectfully prays that the Hon'ble Commission may please be considered to approve the following:

- Approve the ARR and ERC proposed as per the MYT principles, as detailed in format A-1 to A-4 for FY-18.
- Revenue Requirement, Return on Equity & Tariff Petition for FY-18 and the deficit arising on account of proposed ARR and ERC for FY-18 by way of upward revision of the tariff by **Rs. 148 paisa per unit** across all the categories.
- Annual Performance Review for FY 16 as per Accounts Audited by the Statutory Auditors (Comments of the C&AG is being obtained) by considering the Regulatory Asset of Rs. 577.39 accounted as accrued income during FY16 based on the difference between actual and approved power purchase cost which is treated as an “uncontrollable” component of the ARR as per MYT regulations, as part of GAP to be passed on to the Consumers in this Tariff.
- To consider and approve the new proposals as indicated.

Further GESCOM Prayers for approval of wheeling charges and cross subsidy charges and on RPO.
